Maybe you already know that a ton of celebrities, as well as some everyday women, wear lace wigs on a regular basis, but you don't know a whole lot about the process of choosing, buying and caring for this particular hair enhancement.

Well, I've got a special treat, in the form of an exclusive interview. **Annette Jones**, of [California Lace Wigs & Weaves](#), was kind enough to answer some questions about lace wigs, how to shop and who to buy from (very important!) and what makes her

company stand out from the many others out there. This [interview](#) should answer many of your questions if you're new to wigs, weaves and extensions. Not only will you get some important information about application and care, you can also check out a helpful video that details the process.

Quality is so important when it comes to hair additions, so choosing a company like CLWW that offers hand-crafted human hair enhancements is definitely the smart way to go when you want the best look possible.
